

Polo Villa #13, Apes Hill*

Designed by architect Larry Warren, Polo Villa # 13 is located in the Apes Hill Development, St. James and is being offered for long-term rental.

This beautiful semi detached home features a lovely open plan layout, a modern kitchen, three en-suite bedrooms, its own private plunge pool, and a spacious terrace with views of the lake.

There are twenty luxury villas on this property, and they are nestled around the lake and a central swimming pool with views of the polo field and the golf course.

Available from October 2019.
