

Prior Park Gardens*

This Barbados residential property for sale located in Prior Park Gardens is centrally located and in a desirable neighbourhood. This spacious family home features a wonderful open plan indoor and outdoor living space, elegant kitchen complete with granite counters, a breakfast bar and stainless steel including a dishwasher.

The living and dining areas extend out onto a spacious sheltered patio which overlooks the private swimming pool, wooden deck and back garden. The main level of the property features a powder room, a decent sized office that very easily could be incorporated into a fourth bedroom if desired and a useful large laundry offering additional storage. The lower level of the house comprises of about 2,520 sq. ft. of additional space offering a vast array of possibilities.

The large master bedroom features a walk-in closet and an en suite bathroom with a shower and double vanity, while the other two main bedrooms are somewhat smaller with built-in cupboards and they share a bathroom with a shower. All bedrooms are fitted with air conditioning units.

This property is neatly fitted with recessed lighting, high ceilings, an automatic double garage, security grills, a generator and 1,200 gallons of water storage with its own pump. It is also fully enclosed with a full exterior bathroom while being situated near a quiet cul-de-sac. Warrens with all its amenities and glorious west coast beaches are both just a short drive away!
