

Waterside *

Waterside is a beachfront development for sale that offers 26 luxury condominiums situated on the Platinum coast of Barbados.

This West coast property comprises of one, two, three and five bedroom apartments. All apartments are fully air-conditioned and the bedrooms, living areas and terraces all have adjustable ceiling fans. Master bedrooms and second bedrooms of this beachfront development for sale are all en suite. Each apartment is furnished to a high standard of quality, style and comfort and unobstructed views of the beautiful Paynes Bay Beach.

Waterside features a modern designer pool over 30 metres long with spacious sundeck. In addition, there is a communal gym on site including a range of cardio and resistance machines and free weights.

Waterside is a 10 minute drive away from amenities such as shopping centres, supermarkets, banks and restaurants in Holetown.
